Return Policy

Stock items can be returned within 30 days, as long as they are new and unused, with no penalty. For solar signs, a 25% restocking fee applies, and the buyer is responsible for return shipping. All products must be returned in new, unused condition.

If any product fails to meet the 2-year manufacturer's warranty for solar signs, notify Avondale Innovative immediately. Products must be returned within 30 days. Buyers prepay return shipping but will be credited for transportation charges. Credit is not given for products damaged due to improper packing. Custom orders cannot be returned.
